

(February 17 and 18, 2024)

Dear Sir/Madam,

We cordially invite you to join us on February 17 and 18, 2024, for the International Conference on “**Digital Technology Vision 2030: Transforming Healthcare, Education and Industry - 2024**”. This historic gathering will bring together experts, innovators, and thought leaders from around the world to discuss and envision the transformative potential of digital technology in three crucial fields: education, healthcare, and industry. This conference serves as a forum to examine how digital technology may transform the future, encourage creativity, and address urgent global concerns in an era marked by unparalleled technical developments.

SVKM'S NMIMS is a Deemed-to-be-University offering multiple disciplines across multiple campuses having 17 specialized schools with more than 17000 students and about 750 full-time faculty members, 10 faculty members with Fulbright Scholarship and Humboldt International Scholarship for post-doctoral researchers are part of India's most sought after academic community. The consistent academic quality, research focus, faculty from top national and global institutes and strong industry linkages at SVKM'S NMIMS have placed it amongst the nation's prime centres of educational excellence and research today.

SVKM's NMIMS, Mukesh Patel Technology Park, Shirpur Campus is an integrated campus approved by the All India Council for Technical Education (AICTE), New Delhi. SVKM'S NMIMS (Deemed-to-be-University), has been accredited with A+ Grade by the National Assessment and Accreditation Council (NAAC) and has been recognized as a Tier 1 University by the University Grants Commission (UGC). The SVKM'S NMIMS, Shirpur Campus, has a rich tradition of pursuing academic excellence and offers industry-oriented academic programs and excellent research infrastructure to equip its students with the skill set required to succeed in industry. It offers programs in Engineering, Pharmacy, Agriculture and Textile. The multi-disciplinary nature of programs offered on campus allows it to impart an interdisciplinary education to all its students. Mukesh Patel School of Technology Management & Engineering, Shirpur of SVKM'S NMIMS is honoured to host this two-day international conference in association with the School of Pharmacy & Technology Management Shirpur and School of Agricultural Sciences & Technology Shirpur at Shirpur Campus.

The proposed conference is designed to foster collaboration and knowledge exchange among researchers, industry professionals, policymakers, and educators. The event spans two days and features keynote presentations, panel discussions, workshops, and interactive sessions, providing attendees with a comprehensive understanding of the digital landscape's current state and future possibilities. It will catalyze envisioning a future where digital technology revolutionises education, healthcare, and industry. By bringing together diverse stakeholders, this conference fosters collaboration and innovation, driving us towards a future where digital technology enhances the quality of life, supports sustainable development, and addresses some of the world's most pressing challenges.

We ardently appeal to you to make your valuable contribution in sponsoring this event and showcase your value propositions and branding through advertisement, printing, stalls, and audio-visual clips.

We welcome you and seek your wholehearted support to make this great event a grand success and a memorable event.

Soliciting your kind cooperation.

Best Regards.

Dr. Venkatadri Marriboyina
Organising Secretary,
International Conference on Digital Technology Vision 2030

(February 17 and 18, 2024)

SPONSORSHIP FORM

Name: _____
